### **Review of Training Packages**

#### **Confederation's Submission to Service Skills Australia**

The Federal Government has engaged Service Skills Australia to undertake a review of training packages including Outdoor Recreation (SRO03) which includes bushwalking. The review provides the opportunity for industry, training organisations, employers, volunteers and anyone else with an interest in the packages to be involved and provide input into the future skill and knowledge requirements of the sport, fitness and recreation sectors. See Minutes for Confederation's Submission.
