Blue Gum Forest – 75th Anniversary – Sunday, 2nd September

Andy Macqueen reports on the proposed 75th anniversary of the reservation of Blue Gum Forest will be on 2 September. Because of the recent fires, which destroyed most of the fabric of the Perrys Lookdown track and created other hazards, access to the valley may be limited or not possible at all. The organising committee will met in late May following which a decision is expected on the nature of the celebrations.
