Greetings

INSURANCE 2008 – 2009

Insurance Renewal Questionnaire

The 2008–2009 Insurance Renewal Questionnaire was circulated to all clubs on Monday 4th February. Please ensure that your completed Q. is returned to Confederation's office

prior to 31st March 2008

Thank you all – Merrilyn

N.B. As previously advised, Confederation calculates your club's insurance premiums on the total club membership as provided in the Q. and pays your insurance premiums on your behalf. All Clubs are requested to reimburse Confederation for the premium amount so paid.

Notification of Injuries under Confederation's Insurance Policies

Please read Bushwalking Australia Inc's advice regarding actions that clubs are now required to comply with in the event of an incident/accident occurring involving **serious personal injury**.

Bargo River Gorge – Risk of Cliff Line and Steep Slope Instability

Xstrata Coal, Tahmoor Colliery have advised that mining activities will be conducted adjacent to the Bargo River Gorge until mid 2010. During this time there may be a slightly increased likelihood of cliff line and steep slope instability along the Bargo River and tributary creeks.
