### Recreational Hunting in National Parks

#### Shooters Party proposed Game and Feral Animal Control Amendment Bill 2009

The National Parks Association NSW were recently involved in the stopping of the Shooters Party's proposed Bill from passing through Parliament on 22nd June. The Bill allowed recreational hunting in national parks, recreational hunting of native animals, establish private game reserves and undermine the feral animal control efforts across NSW.

See the NPA's Hunting in National Parks web page for further updates:
