NP&WS: Plans of Management for

■ Cabbage Tree Bay Aquatic Reserve

As a result of its many attractions and variety of uses, Cabbage Tree Bay Aquatic Reserve has become increasingly popular and faces growing user pressure. The NSW Department of Environment and Climate Change (DECC) is currently developing a Management Plan for Cabbage Tree Bay Aquatic Reserve. See link:

■ Sydney Harbour National Park - getting the balance right in the PoM

Sydney Harbour National Park (SHNP) is the most prominent natural feature of the city of Sydney. Over the next few months the NP&WS will be working with the community to develop a Plan of Management for SHNP to determine how the park will be protected and enjoyed towards 2020.
